but that what was being collected by the Inamdar was only the rent of the trees leased out by them to the 2nd Contractor. There is no proof of enjoyment also and therefore under the rules, the Inamdar is not entitled to the toddy revenue. The Sanad is stated to be not quite clear, the words Chas bab used therein not clearly indicating whether revenue from excise is included therein or not. In the absence of evidence of enjoyment & in view of the Inam Settlement Register the claim so far as Excise revenue is concerned has to be rejected. Tree rent may be allowed

SERIAL No. /

To

K.R. Srinivasiengar, Esq., B.A.,
Offg: Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Departments.

Sir,

In submitting herewith the records of enquiry relating to the inamdar's claims to the Excise Revenue from toddy of Jodi - - - Kondajji village, Gubbi Taluk, received under cover of No.99 dated the 16th ultimo, from the Deputy Commissioner, Tumkur District, I - have the honor to state as follows:-

The inamdars state that the revenue from this source has been in their enjoyment from a very long time; but they have admitted before the investigating Officer that they have no substantial evidence to prove in support of their claim except a sannad granted in Purnayya's time, two Karars dated 28th April 1874 and 23rd February 1879 and a letter produced by them purporting to be written by an abkarry Contractor. They have also produced some copper plates.

3. In the sannad granted to them it is stated that they are - entitled to " char bab " the meaning of it is not quite clear. The karars show that one Yellayya and Kenga had agreed to pay them a - - certain amount for the trees leased out to them. Besides these no other documents are available either in the Taluk or District vernacular records. The Beriz accounts of the year of alienation are - not to be found anywhere and the inamdars themselves admit that they do not know what amount of revenue they derive from this source. - The inam settlement register shows that they have collected Rs.80-12-0

before

before the Farming System and the Inam Superintendent has decided - that they are entitled only to tree-rent. During the years 1903-04 and 1905-06 the Inamdars seem to have received some tree-rent for the trees leased out by them. The statement of trees tapped during - - those years can be seen in the records. The copper plates referred to above do not appear to have anything to do with the grant of this village, as stated by the officer in charge of the Archaeological -- Researches in his letter No.33 dated the 17th instant . Copy enclose -d.

4. As the Inamdars have failed to adduce sufficient proof to show that they were in the enjoyment of this revenue, I concur with the investigating officer and the Deputy Commissioner and hold that the Inamdars' claim be restricted only to tree-rent for trees tapped in their village.

Favour of early orders are solicited.

I have the honor to be,

Sir,

Your most obedient servant,

Excise Commissioner in Mysore.

Enclosure (1) to SI/SR81-12 (2)

Letter No.33 dated 17th September 1912 from the Officer in charge of Archaeological Researches in Mysore to the Excise Commissioner in Mysore, Bangalore.

As requested in your letter No.2132 dated the 3/5th September 1912, I have the honor to forward herewith a Kannada Transcript and an English Translation of the copper plates received with the above letter. I had examined these plates in 1907 and dealt with them in paras 19 to 22 of my Annual Report for 1906-7. A copy of the report is also sent for your perusal. The inscription does not appear to have anything to do with the Jodi Kondajji village. On the other hand, it records the grant of a village named Ballanvolal which was apparently situated in the Mandya Taluk.

2. The plates are herewith returned.

The Investigating Officer has held that from the evidence adduced by the Inamdars, they are not entitled to the Excise revenue of the village in question which does not appear to have had a shop, and that they are entitled to tree-rent only. Moreover, the Inam Settlement reserves to Govt. the item of 'Abkari' also.

2. The Excise Commissioner concurs with the Investigating Officer and adds that in the sannad granted to the Inamdars mention is made of "Char bab" (the meaning of which is not explicit) and that no documentary evidence in support of the Inamdar's claim to the Excise Revenue is forthcoming or produced.

3. The Govt. are therefore pleased to direct that the Inamdars' claim be restricted only to tree-rent for the trees tapped in their village.
